## **WELCOME to the 14<sup>th</sup> Nordic Symposium on Forensic Psychiatry, 24-26 August 2022 in Helsinki, Finland.**

We cordially invite you to join the exhibition the 14<sup>th</sup> Nordic Symposium on Forensic Psychiatry to be held on 24-26 August [at Paasitorni Congress](https://nsfp2022.org/) in Helsinki, Finland.

The multidisciplinary symposium is held every other year a Nordic country, and it usually gathers approximately 200-250 participants from the fields of forensic-, adolescent- and general psychiatry. The main topic of the 2021 meeting will be '*Forensic service development: modern themes and challenges*'.

As forensic services are on the forefront in treating the most complex and challenging patients, recent findings in all aspects of treatment are on the agenda of this meeting. Among the lecturers and presenters are leading European researchers and clinicians in the field of forensic psychiatry.
